Welcome to our 2023 product range. Aurora World Ltd continues to grow and deliver to you the "Gifts of Smiles". Our products are created using the very best materials, design, and innovation to ensure you have the best one-stop plush offer for your customers.

As the ongoing drive for sustainability continues to be uppermost in the minds of both businesses and consumers, we continue with our corporate commitment to source traceable, sustainable materials where ever possible through our **Global Eco-Friendly initiative**. Our products are filled with 100% recycled materials, including our plastic pellets and core fibre fillings, and our labels are made using natural and recycled materials. We continue to reduce our environmental footprint through ongoing changes to our working practices and products.

In 2020 we launched our innovative **Eco Nation** range of products. These products are manufactured from recycled and natural materials, the recycled fabric and filling are made from 8 recycled 500ml plastic bottles per soft toy. We've removed plastic beans and replaced plastic eyes with embroidery, our packaging and labelling are from recycled/recyclable materials and our inks are now water-based. 2023 will see further products being added to our **Eco Nation** range, which continues to go from strength to strength delivering great commercial results for our customers and peace of mind to our end consumers.

In addition to over 30 fabulous Aurora World plush brands which include **Palm Pals, YooHoo, Flopsie** and **Sparkle Tales**, we also carry a significant license portfolio, including **Moomin, Molang, The Tiger Who Came to Tea, MOG** and **Dr Seuss. Julia Donaldson** will have the addition of **The Smeds and The Smoos** to this long-standing family of literary titles alongside the likes of **The Gruffalo, Superworm** and **Zog**. Aardman gets the addition of **Feathers**. Also launching in 2023 is the new license **Tasty Peach** and new items in the **Pusheen** and **BT21** ranges.

With over 40 years of experience in the plush industry as an innovator, creator and distributor of plush products, manufactured in our wholly owned industry-leading facilities in Indonesia and China. We continue to deliver a robust supply chain for our exciting and innovative quality products. Due to our unique business structure, you can buy with absolute confidence.

If you're new to Aurora World, welcome - we look forward to working with you, and if you are one of our long-standing partners, thank you for your continued loyalty and support over the last 40 years. I wish you all a successful 2023 and beyond.

# BT21

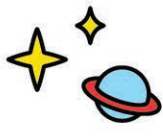

Hailing from Planet BT, Prince TATA dreams to spread love across the galaxy. Deciding that destiny is at hand, TATA summons guardian robot VAN to prepare for an interstellar journey to Earth.

Shortly after arrival, the Prince concludes that the most effective means to win over the hearts of earthlings is to become a super, no... something much more ambitious.  
A UNIVERSTAR.

Realizing that a collective effort is crucial, TATA & VAN scout for like-minded hopefuls to share in the dream. Soon they discover 6 - KOYA, RJ, SHOOKY, MANG, CHIMMY and COOKY - to become what will be known as the most influential pop-culture sensation the galaxy has ever witnessed. BT21.

# BT21

Hailing from Planet BT, Prince TATA dreams to spread love across the galaxy. Deciding that destiny is at hand, TATA summons guardian robot VAN to prepare for an interstellar journey to Earth.

Shortly after arrival, the Prince concludes that the most effective means to win over the hearts of earthlings is to become a super, no... something much more ambitious.  
A UNIVERSTAR.

Realizing that a collective effort is crucial, TATA & VAN scout for like-minded hopefuls to share in the dream. Soon they discover 6 - KOYA, RJ, SHOOKY, MANG, CHIMMY and COOKY - to become what will be known as the most influential pop-culture sensation the galaxy has ever witnessed. BT21.
